The Metropolitan Water District of Southern California is a consortium of twenty six cities and water districts that provides drinking water to nearly 19 million people in Southern California. Metropolitan's mission is to provide its service area with adequate and reliable supplies of high quality water to meet current and future needs in an environmentally and economically responsible way. Metropolitan's facilities include the 242-mile Colorado River Aqueduct, five conventional water treatment plants with a combined capacity of 2.6 billion gallons per day, nine surface water reservoirs, 800 miles of pipeline, and 16 hydroelectric power plants.

PRE-APPRENTICE INFORMATION SEMINAR PASADENA - MARCH 8th, 2014

Metropolitan Water District will be holding an information seminar for the upcoming Pre-Apprenticeship Recruitment. Metropolitan provides entry to journey-level skills training in the technical, vocational and trades occupations using a combination of on-the-job training, classroom instruction and home study in the following areas: Apprentice Maintenance Mechanic or Apprentice Maintenance Electrician.

The seminar will include an overview of the program, the steps in the recruiting process, and an overview of the test; including a prep test.
